MOTHER'S AUCTION

Once silent, we heard the feedback Moms. You want a real competition. So, here's how it will work... each Mom is asked to donate an item to the auction that will be bid upon by other mothers in attendance. In recent years, popular items have been Beta-related (i.e. sports wear), but don't count out other options. Moms like to shop for themselves too and it would be a crime to leave empty-handed!

You can bring items from home, or you may purchase something for the auction. We've arranged for various Beta gift packages to be available from our official Greek-wear supplier. **Contact Paige at Alpha House at (513) 523-8290.** Tell Paige you're a Beta Mom and she should be able to help you out.

Auction items will be set up at the house. Throughout the weekend you will have the opportunity to view items you wish to purchase. Proceeds benefit the Parents Principle Fund administered through the Beta Theta Pi Educational Foundation. This fund supports brothers' participation in leadership development programs throughout the year.

The actual bidding will begin on Sunday morning following the BIG Beta Breakfast Buffet.
